

Mike Crookes

Profile:

Job Title: Project Manager

Qualifications: 8 Years in Healthcare Projects

Summary:

Mike is a Project Manager and has worked at MTS for 8 years in the Health sector. He has successfully managed the equipping, procurement, tendering and installation for a number of Health Facilities.

At MTS, Mike manages the procurement of equipment including liaising with suppliers, tendering, installation, training and commissioning. Mike has worked on a wide range of projects in Healthcare, which have involved working with the key users to identify the equipment requirements and sourcing the equipment from the specialist providers. He also specialises in Mental Health and non-medical equipment items.

Project Experience:

- Barts and the London NHS Trust
- Hemel Hempstead & Watford Hospital – West Hertfordshire
- Avon & Wiltshire Mental Healthcare Trust
- UCLH NHS Trust
- St Catherine's Hospital - Doncaster
- Darent Valley Hospital – Dartford, Kent
- Harplands Hospital – Stoke on Trent
- Northgate & Prudhoe – High Dependency Unit
- North Middlesex Hospital NHS Trust
- Princess Royal Hospital – Farnborough, Kent
- Pembury Hospital – Tonbridge Wells
