

Neil Connor

Profile:

Job Title: Senior Project Manager

Qualifications: ONC Electronic Engineering
HNC Electronic Engineering

Summary:

Neil has been a Senior Project Manager at MTS for 11 years and has over 30 years experience of equipping and commissioning hospitals, including projects overseas. Neil began his career in the UK National Health Service as a Medical Physics Technician in Glasgow. In the last 5 years Neil has been involved in scheduling equipment for a number of education projects and is familiar with latest guidelines and legislation.

Neil has experience with installation, commissioning, repair, maintenance and training for a wide range of equipment on both health and education projects.

Neil is able to plan and supervise complete equipment packages from initial preparation of specifications / budgets / room equipment lists through to commissioning and operation on site.

Project Experience:

- Barts and the London NHS Trust
- Mid Essex Hospital Services NHS Trust
- St Peters NHS Trust
- Finchley Memorial
- Brighton University Hospital NHS Trust
- NPRO for Dublin HSE
- East London Mental Health NHS Trust
